

TECHNICAL DESCRIPTION	UM	Genie B
Rated power	W	500
Working width	mm	350
Width of rear squeegee	mm	440
Work capacity	M ² /h	1050
Water consumption	g/m ²	-
Brushes (diameter or length)	∅ mm	350
Brush rotations	rpm	140
Pressure on the brushes	kg	20
Brush motor	V / W	12 / 250
Type of advance		Semi-aut.
Maximum gradient		2%
Suction motor	V / W	12 / 250
Suction vacuum	mbar	-
Solution tank PE	l	10
Recovery tank PE	l	10
Total machine weight (including batteries)	kg	67
Gross weight of the machine ready for use	kg	77
Battery	V/Ah	12 / 65
Battery charger	V/A	12/6
Battery compartment dimensions (Length / Height / Width)	mm / mm / mm	277 / 224 / 172
Machine dimensions (Length / Height / Width)	mm / mm / mm	682 / 1018 / 440
Length of the closed machine (without recovery tank)	mm	795
Height of the closed machine (without recovery tank)	mm	440
Noise level (in compliance with IEC 704/1)	dB (A)	69.28
Vibration level	m/s ²	1.79
